

OUR PROGRAMS

PTECH Early College High School

Our students are on their way to earning College Credit hours in our **PTECH Early College High School!**

Concurrently, our students take coursework to achieve their high school diploma, Medical Assistant Certification, and Associates of Applied Science Degree with HCC.

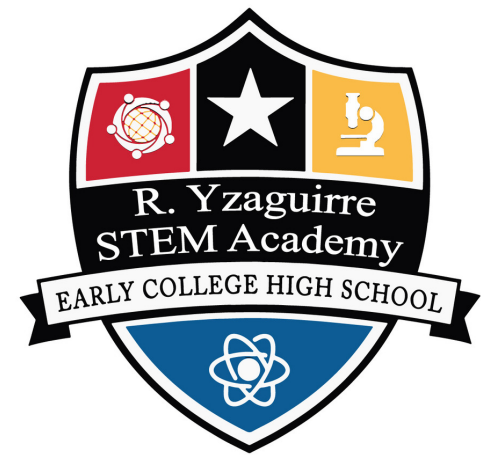

Our teachers and PTECH Early College partnerships provide our students with the necessary skills, preparation and field experience opportunities to gain employment in the Medical Assistant field and beyond!

Our Story

RYSS is named in honor of Raul Humberto Yzaguirre, Sr. who was born in San Juan, Texas. From a very young age, Mr. Yzaguirre has been active in civil rights, remaining an internationally recognized leader and advocate for the Hispanic American community for over 35 years. As the CEO and President of the National Council of La Raza (NCLR), he was directly responsible for its transition to becoming the premier national Hispanic advocacy organization and think-tank in the country. He worked with the University of Texas-Pan American to establish the Raul Yzaguirre Policy Institute.

Our Mission

We the faculty, staff, family, and community of Raul Yzaguirre School for Success, have committed ourselves to providing and obtaining the highest standard of education in a culturally relevant setting. The pursuit of excellence is aimed at developing self-respect and pride among our students. Our ultimate goal is for them to become critical thinkers and lifelong learners.

Raul Yzaguirre School for Success 6-12 Charter School offers a college preparatory program, which includes Advanced Placement courses, courses in technology, art, business, choral and instrumental music, JROTC and physical education. We have STEM, Arts and Humanities, and Business and Industry course pathways.

Our well-rounded high school experience includes active participation in activities outside of the classroom. Our athletic programs, competition teams, visual and performing arts programs, and student clubs offer opportunities for students with a variety of interests. Our school educates our scholars into strong confident leaders ready to conquer the world!

Our Partners

Our Programs

AFTER SCHOOL PROGRAM

Our students participate in the afterschool program that includes free tutorials, sports, mariachi, band, ballet folklorico, drill team, modern dance, chess club, art club, cooking classes and much more.

COLLEGE AND CAREER READINESS

Our students participate in a variety of programs that enable them to become college and career readiness. Our partnership with HCC allows students to take college courses at our school. Baylor College of Medicine has, on site, the TEEN Clinic that helps students receive medical attention during the school day. LULAC and Project Grad both assist students with opportunities to visit college campuses across the state. Our business partner, BBVA, provides financial education workshops for our seniors.
